

INTERNATIONAL ONLINE CONFERENCE

"CORPORATE GOVERNANCE: MULTIDISCIPLINARY RESEARCH"

November 27, 2025

Concept of the conference

Aim and concept. The event will be a platform for sharing ideas on new trends that are currently shaping the concept of modern corporate governance. The conference will focus on a variety of crucial issues of corporate governance, i.e., corporate ownership and control, earnings management, audit, corporate social responsibility and compliance, disclosure and transparency issues, financial reporting, board of directors' practices, shareholders' rights, etc. The main goal of the conference is to provide a multidisciplinary outlook on the above-mentioned themes and to invoke discussion of them that is a major value of the scholarly research. The upcoming conference will therefore provide a platform for academics and practitioners to analyse recent trends and upcoming challenges in the following areas:
