Conference venue

Rome, the “eternal city”, is so called because it is a place of great beauty, contrast and life. Rome is an eclectic city: the religious world centre of Catholic Church, the fabulous ruins of the centre of the Roman Empire, and modern, bustling Rome. All three seem incongruous, yet they live inside and beside each other with great ease. Rome was built to rule and dominate the world. Everything is on a massive scale, solid and “eternal”. Rome, the city that inspired poets and writers, philosophers and politicians, popes, and kings, travelers and students, is ready to embrace everyone and to charm with its warmth, its friendly smile, its great food and its magic.

The conference will take place at
*Department of Business Studies, Roma Tre University,
Via Silvio d'Amico, 77 – 00145 Rome, Italy*
